WHY SHOULD I PARTICIPATE TO THEATRE LA CATAPULTE'S ANNUAL GOLF TOURNAMNENT?

Since 2008, the Théâtre la Catapulte's Golf Tournament is a major source of funds for the company's tours. This year, the funds raised will enable two 2010-2011 productions, **Les Fridolinades**, and **Les Médecins de Molière**, to go on tour in remote regions of Ontario and elsewhere in Canada, notably Saskatoon and various cities in the Maritimes.

Specifically, the funds raised will help cover the costs including **artist fees, per diem, accommodations, travelling**, and the **rental of equipment**, as well as **fees related to other activities** such as talk-backs.

School boards and minority language communities contribute but have limited means. A funding event such as this tournament is therefore essential.
